

## **Military Records and planning presentation for November**

Changes to forthcoming topics were announced for June, July and October and the National Archives trip on 12th May.

Beryl Buckley provided a well researched presentation guide into Military Records, with examples and illustrations from her own research.

Reminding us of the wider conflicts, she systematically identified access restrictions for recent records, 1939 registration, the value of TNA and regimental museums and numbering systems, war diaries, pensions and even older muster rolls.

Jackie Cotterell pointed us to relevant background sources in the following discussion.

It was agreed to research War memorials in the Wyre Forest for the U3A presentation in November.
