

`History Group Christmas Social.

There was a good turnout for the History Group's Christmas Social, held in the Function Room at the Kidderminster Harriers. New programmes for 2018 were given out and on display was a notice board, carefully compiled by Audrey Hobbs, detailing all the meetings, Day Visits and Residentials that the History Group have undertaken this year. This board is always on display at the monthly History Group Meeting, and is updated regularly.

After a festive buffet meal, the Chair of the History Committee, Geoff Bayley, presided over the traditional Quiz, which had a good mix of obscure, trivial and challenging questions. The Quiz was won by 'Richard's Babes', who shared a large box of chocolates between them, kindly donated by Margaret Nicholls.

A Festive Christmas Buffet.

The Winning Team - Richard's Babes.
